Dear Laura,

On behalf of the California Community Colleges Student Financial Aid Administrators Association, I wish to thank you for your commitment and advocacy on behalf of the students which you have represented during your tenure with the California State Student Association (CSSA). You have earned yourself a reputation as an active listener and a great advocate for the students.

I know you will always embrace the "cause" and will continue to make a difference representing others through your passionate, engaged and articulate presence. Good luck in all your future endeavors...I'll be looking for you "on the Hill", as a member of our State's legislature or Congress, in the future.

All the best,

Beth Asmus, President
