Ms. Anne McKinney
Director, Federal Government Relations
CCC System Office
1102 Q Street
Sacramento CA 95814

Dear Anne,

I am writing on behalf of the 900+ members of the California Community College Student Financial Aid Administrators Association (CCCSFAAA). Our professional association represents 109 community colleges and more than 2.5 million students comprising the largest segment of higher education in the world.

We want to thank you for your unfaltering efforts in bringing about the passage of HR 2669 and the removal of Pell Tuition Sensitivity. This legislation recognizes that the full cost of a higher education is more than just tuition and that reducing Pell Grants for the neediest students is contrary to the purpose of the program. Elimination of Pell Tuition Sensitivity will benefit our neediest students and we are working up and down the state to generate those additional Pell Grant payments to students as I write this letter to you.

We look forward to partnering with you and the System Office in future efforts.

All the best,
