

Dear California Community College Financial Aid Directors,

Thank you for your ongoing support of CCCSFAAA and our scholarship fundraising.

I am pleased to announce that it is time for the 2011 CCCSFAAA Scholarship Program! The California Community Colleges Student Financial Aid Administrators Association will again sponsor student scholarships; a total of twenty \$500 student scholarships, two \$500 scholarship for each of the ten CCCSFAAA regions across the State. This year we have a new \$1000 scholarship which will be offered for the next 10 years from the "Marianna Deeken, Well it Depends" scholarship fund. One student will be chosen from a different region each year. The region for the 2011 "Well it Depends" scholarship is region 2, this scholarship will be given to the top candidate from region 2. Each California community college is asked to promote the scholarship competition on their campus and nominate up to two students for the scholarship.

Attached to this email you will find a master copy of the CCCSFAAA student application, the scholarship announcement and nominee roster. These forms will also be posted to the CCCSFAAA website 'Online Forms' link shortly.

1. Please reproduce as many scholarship applications as needed for your campus scholarship competition. The deadline for the student to submit his/her application materials to YOUR College's Financial Aid or Scholarship Office is October 3, 2011. As necessary, you may adjust this date locally to accommodate your office schedule.

Note that you need to insert into the application your school's contact information at the bottom of the page.

2. After closing your college's scholarship application period, you must select up to two student nominees from your school's applicant pool and submit them for the regional scholarship competition.

3. Fax or mail your two student nominees to me on the attached nomination roster along with their application and statement. They must be RECEIVED by October 14, 2011 in order to be included in the regional selection process per the instructions on the nomination roster - see fax number and mailing address below.

4. The CCCSFAAA regional representatives will then review all student candidates nominated and select winners for each region. The names will be forwarded to the CCCSFAAA Board for approval at their October 25th meeting.

5. Student winners will be notified by letter prior to the CCCSFAAA Annual Conference in December and checks will be mailed to the winners shortly thereafter. A letter will also be sent to the winners' Financial Aid Office.

If you have difficulty accessing the attached forms, please email me and I will forward the documents to you directly. If you have any questions, please contact me ASAP.

I look forward to receiving your nominations!
